

The Storehouse

OF COLLIN COUNTY

A MESSAGE FROM OUR NEW EXECUTIVE DIRECTOR CANDACE WINSLOW

Dear Friend of The Storehouse,

I am humbled and thrilled to be joining an organization that continues to multiply its positive impact on the surrounding community.

My introduction to The Storehouse is similar to many of you who serve weekly - I began volunteering at Seven Loaves with my son, Grant, via the Young Men Service League (YMSL) in 2016. Almost immediately, I had an attraction to The Storehouse that I understood in part, but not in full. Albeit Grant and I had been blessed to volunteer at several other non-profit organizations in the community, there was a **"pull"** to The Storehouse that kept us coming back for more and more shifts. I had no idea the Lord would eventually lead me to serve in the Executive Director role of this great ministry.

What I see in The Storehouse is a group of **amazing volunteers** being like-minded, having the same love, and being one in spirit and mind, serving not out of self-ambition, but rather putting others first. From providing food to a client in Seven Loaves, or clothes in Joseph's Coat, to connecting with the women in Project Hope - I believe each of you are committed to serving those in need through your actions and your words.

Thank you so much for your incredible commitment to The Storehouse. We have come a long way since we opened our doors in 2009 serving one family with food at our pantry. As we move into a full decade of **feeding, clothing, and caring** for our neighbors in 2019, I am confident that we will continue to change lives in all that we do - together.

Looking forward to serving with you all!

Sincerely,

Candace Winslow
Executive Director
