## Ruby Gibke Takes on New Role Supporting Both Seven Loaves & Joseph's Coat

*Ruby's extensive experience assisting volunteers and neighbors makes her the perfect candidate to support The Storehouse's expansion and transition into its new space.*

**PLANO, TX – March 18, 2018** – We are excited to announce that effective March 18, 2019, Ms. Ruby Gibke is now a full-time team member of The Storehouse. Ruby's new role as **Seven Loaves & Joseph's Coat Assistant** will allow her to utilize her excellent knowledge of Storehouse operations and outstanding hospitality to support both programs as we look to transition into our new space at the end of 2019. Ruby is bilingual and plays a big role in helping our Spanish-speaking neighbors feel at home when they visit The Storehouse.

Ruby started volunteering at Seven Loaves in 2010 and joined the team in a part-time capacity in 2015. Ruby loves baking desserts for others, playing pickleball, and enjoys a nice glass of unsweet iced-tea.

Read what Ruby's team members have to say about her:

*"Ruby exemplifies our mission "to care as neighbors in one community". Never too busy to help, she always goes out of her way to represent The Storehouse in the best possible manner. Whether it's your first visit or if you have had the privilege of working alongside Ruby for years, she treats everyone with the same grace and kindness."*

*Jacque Devonport, Director of Volunteer Services*

*"Ruby really embodies how we care for neighbors, both those that receive and provide Storehouse services. Her warmth, kindness and focus on serving infuses the atmosphere with love and caring. Before I served my first neighbor, Ruby was my exposure to the Storehouse and how my devotion to our commitment to service really started."*

*Dave Murashige, Seven Loaves Volunteer Manager*

*"Ruby has a servant's heart and she truly cares for each of our neighbors we serve at Seven Loaves."*

*Leslie Martin, Seven Loaves Volunteer Manager*

*"Ruby is such an inspiration... always setting the perfect example of Christian discipleship. I watch her at work every week treating every co-worker, volunteer and neighbor with the upmost respect.*

*Well deserved!"*

*Diane Morgan, Seven Loaves Volunteer Manager*
