

The Storehouse
OF COLLIN COUNTY

THE NEED

105,240 people are food insecure in Collin County
(Statistic from Feeding America)

OUR RESPONSE

In January 2020, The Storehouse of Collin County served **2,748** individuals through our food pantry, Seven Loaves.

When Covid-19 impacted our community in March, we met the increased need of **8,840** individuals experiencing food insecurity.

And six months later, we continued to meet the increasing need, feeding **9,032** individuals.

The Storehouse of Collin County serves our neighbors holistically. Through our three programs of Seven Loaves, Joseph's Coat, and Project Hope, here's what we accomplished in 2020 thanks to our donors and volunteers who stand behind our mission.
