## Definition of Terms

### **Gift Vehicles: The method by which you will make your gift.**

- Will: This is one of the most straightforward ways for donors to continue stewardship to The Storehouse upon their death. To include The Storehouse in your will, simply add the following sentence: "I gift to The Storehouse of Collin County, DBA The Storehouse Community Center (EIN 27-1883333), \_\_\_\_\_ [dollar amount, description of specified asset, or percentage of the estate] for its unrestricted use and purpose."
- Savings Account or CD: By making The Storehouse the beneficiary of some or all of your Savings Account(s) or CD(s), you can allow The Storehouse to receive the benefit of the interest earned and maximize the impact of your donation.
- Qualified Retirement Plan: Examples include 401(k)s, IRAs, and 403(b)s. By designating some or all of your retirement assets to The Storehouse, you can bypass estate and income taxes on these assets and instead utilize them for a cause that is important to you.
- Life Insurance: Designating The Storehouse as the beneficiary of your life insurance policy will allow The Storehouse to receive some or all of the death benefit payout at the end of your life, while also removing the value of the death benefit from your taxable estate.
- Charitable Gift Annuity: This gift can be structured through our partners at HighGround Advisors and allows you to make a gift of cash or marketable securities for the benefit of The Storehouse while also providing an annuity to you for life.
- Charitable Remainder Trust: Provide support for The Storehouse while also retaining an income stream from the gifted property for the duration of your lifetime or for a specified term of years. Remainder trusts can be funded with almost any asset and provide you with a charitable income tax deduction in the year the gift is made.
- Fund/Trust: There are a wide range of Trusts and Funds (Revocable Trusts, Charitable Lead Trusts, etc.) for which you can name The Storehouse as a beneficiary and realize tax benefits or further other planning priorities.

### **Designations: The way in which you would like your gift to be utilized.**

- Operating: The Storehouse may immediately use the full amount of the gifted funds for either the purpose the donor designated in this LOI or their Gift Vehicle, or for the immediate needs of The Storehouse if the donor did not designate a specific purpose.
- Endowment: Upon receipt of funds, The Storehouse will invest the funds in a permanent endowment and each year will be able to use only the investment earnings for either the purpose the donor designated in this LOI or their Gift Vehicle, or for the immediate needs of The Storehouse if the donor did not designate a specific purpose.

*Thank you to our partners at HighGround Advisors for their support in providing this Definition of Terms.*
