# To Feed, Clothe, and Care as Neighbors in One Community

The Storehouse provides holistic care to meet our neighbors' immediate needs while also walking alongside them to realize their full potential. Your company's investment in this work will have a transformational impact on the lives of our neighbors, their families, and our community at large.

# A Neighbor's Pathway out of Poverty

**Seven Loaves: Food Pantry**

**Joseph's Coat: Clothing Closet**

**Project Hope: Resource Referral**

**The Academy: Job, Life, and Language Skills**

Our four programs are integrated to create a pathway that walks with neighbors out of poverty and into a living wage job. And, while not every neighbor we serve will complete the full pathway, our vision is to transform the lives of 20% of the neighbors we serve.

# Good for Business

Meet your community engagement and ESG goals while providing a life-long transformation to our neighbors in Collin, Denton and Dallas County.

Partnerships with The Storehouse can be customized to meet your specific needs, including CRA-eligible support, brand recognition, employee engagement, and more.

## Who we serve:

- 280,000 people annually
- Neighbors living at or below the poverty level
- 35% Dallas County, 65% Collin and Denton County
- 90% Hispanic and Latinx

# Join us Today

Corporate partnerships start at \$1,500 and unlock employee engagement, co-marketing and brand visibility, and business development opportunities.
